A letter from the Executive Director

Thank you for your patience and support during these unprecedented times. We recognize that the arts offer a welcome respite from day to day stress while our world has been turned upside down and are anxious to resume activities.

As we transition through the PA state mandated opening phases, we are making adjustments to our 2020 schedule and the way the NHAC brings art and arts education to our community. These measures will help to ensure everyone’s health and safety while experiencing the benefits that art can bring.

To facilitate timely compliance to new mandates, we will offer our Summer 2020 class catalog in electronic form only. This will allow us to amend our policies and scheduling as the COVID-19 situation develops. A full course offering will be available on our website. Also, be sure to check our E-Newsletter for the most current updates.

Class/Workshop/Camp sizes: We now have a cap of 10 students per class or workshop. This will allow for ample space between students while they are at the Art Center.

Sanitizing: The Art Center will sanitize surfaces on a daily basis.

Masks: The Art Center will require masks to be worn when in the building.

Gallery Art Shows: Art shows will be hung for viewing during Art Center operating hours. The artwork will be photographed and posted online as well. Opening receptions will not be held at this time.

Events: Events, such as the Summer Solstice Raku Party, will be rescheduled wherever possible.

Please contact the office with any questions or concerns regarding these temporary policies.

I will leave you with a quote by Vincent Van Gogh: “Great things are done by a series of small things brought together.”

The North Hills Art Center is committed to helping our community move beyond this crisis with the healing power of art. Join us.

Clay at Home: Helpful Hints and Reminders

- Hand building techniques: coiled clay, slab, and pinched pots
- Remember to “SCORE AND SLIP” – SCORE-scratch the clay where it joins; SLIP – water used on scored area to help it bond the joint
- You can use a rolling pin, wooden dowel or piece of PVC pipe to roll out the clay
- The finished clay piece should be ¼” thick and hollow (remember to add a small air hole)
- Try not to make items too delicate as you will be transporting them to the Art Center in a very dry and fragile state
- If using a mold (like a plate or bowl), spray with vegetable oil spray so the clay doesn’t stick
- Wedge scraps to remove air bubbles before making something else
- A sturdy piece of fabric is a great work surface because the clay won’t stick to it
- Don’t forget to add your name/initials to your pieces!

Some ideas: coil vase or mug, animal sculpture (must be hollow with small air hole), vegetable garden labels, birdhouse, herb planter

Have Fun!!!

Experience the Arts with Us!

The North Hills Art Center (NHAC) was founded in 1959 as the Artists' and Craftsmen's Guild by a group of dedicated artists who understood the importance of having a permanent haven where people throughout the North Hills and surrounding areas could come and learn, express themselves, and appreciate all forms of art. Today, amateurs and professionals alike enjoy that vision in the North Hills Art Center, where they can exhibit their artwork and benefit from the camaraderie found in our classes, open studio sessions and private parties.

Scouting Workshops!

We can provide your troop with the requirements needed to complete projects and earn your merit badges. All workshops require a minimum of 5 scouts in attendance. Workshops can be modified to include projects of your choice. Don't see an art or STEAM badge your troop wants to earn? Email the requirements to us and if we have can get the supplies - we'll make it happen! $20-$25 per person (visit northhillsartcenter.org for more info.)

Special Events!

Wine tastings, the Annual Summer Solstice Raku Party, beer tastings, and cultural events like the Cherry Blossom Festival and the Chrysanthemum Festival are just a few of the Special Events we offer. Free Lectures are provided throughout the year to members and non-members. We also participate in the annual RADical Day in the fall (this is a free event, open to the public). (visit northhillsartcenter.org for more info and to sign-up for our e-news!)

Artists’ Opportunities!

The North Hills Art Center supports local artists in a variety of ways – from providing a vibrant gallery and community for showcasing artwork in our many exhibitions throughout the year, holding a private show (emerging artists), the opportunity to be an artist and educator; and to create during Open Studio Sessions. By becoming a member of the Art Center, artists can enjoy lower fees when entering shows, taking classes; enjoy discounts at several local art supply & framing shops and be one of the first to know about upcoming shows/events through our email newsletter. Membership also qualifies the artist to free entry in our Artisan Markets where you can showcase your work to the many patrons who seek out our Artisan Markets. (visit northhillsartcenter.org for more info)
