Application for Financial Assistance

The North Hills Art Center offers partial and full financial assistance to adults and children who want to take a class or workshop at the NHAC. Materials/supplies (if required) are the responsibility of the student. An award of financial assistance is made after the review of this application. Applications must be submitted two weeks prior to the start of the class or workshop. You can either apply to take 1 regular class or 2 individual workshops. We suggest applying for a first and second choice in case your first choice is full.
